Black Lightning

Full series drop on ITVX on Sunday 23rd March

ITVX

Jefferson Pierce is a man wrestling with a secret - as a father of two daughters and principal of a charter high school that is also a safe haven, he's a community hero.

Nine years ago, Pierce was a hero of a different sort - however, after too many nights with his life on the line, and seeing the effects of the damage and loss that his alter ego was inflicting on his family, he left his superhero days behind and settled into being a principal and a dad.

Almost a decade later, Pierce's crime-fighting days are long behind him... or so he thought. With crime and corruption spreading like wildfire - and those he cares about in the crosshairs of the menacing local gang The One Hundred - Black Lightning returns to save not only his family, but also the soul of his community.
